“ Dear Judy, Mike and Kenny - My thoughts and prayers are with you and your family. I'm so sorry for your loss. Your dad was such a sweet, dear, man. He was a very good uncle to me and I loved him very much. What a reunion he and your mom must be having right now. May God bless them both. I have so many happy memories of them over the years. They were both good and caring people. I send my love to you all.

Sincerely,
Bev (and Larry) Kavouras

“ Dear Judy, Mike, and Kenny, I am so sorry about the death of your father, Roger. I was not able to get in contact with you when your mom, Rosellen, passed away. Roger and I were cousins, of course. Roger always said I introduced him and Rosellen. It must have been at some church youth group activity. Your Mom and I were friends in high school. I was in their wedding.

I do not think your Mom ever forgave me for messing up their wedding pictures. It seems like I knew the directions to the Smith farm where the car was hidden. At the time came to take pictures, the girl attendants were missing. We and others had gone to the farm to do mischief. The pictures were taken when we returned.

I remember the times you visited us after we moved to Colorado.

I remember one time, especially. Your family was here at the same time as LeRay and Pat's family. There were six or seven young children there for the weekend. I have no idea where all of us slept in this small house.

My thoughts and prayers are with all of you. I am sorry I cannot be with you at this time.
Love, LaDonna Mock
