“ It was with a tremendous sense of sadness when seeing the name of Gladys Marie Ford. I went on Mcpherson Funeral Home website and found Gladys Marie Ford. I was hoping she was writing or doing something from our beautiful Anganetha Nita Ford's funeral.

Having had the experience myself, I know that losing your father and for you now your mother as well, is never easy, especially with parents who were as amazing as yours. Also two in a row takes a lot out of you I know. I love you all and wish I could be there for you all.

Gladys Marie Ford has blessed me with millions of fond memories that will last a lifetime. She will be missed as she gave from the heart and soul.

You can know without a doubt that Gladys Marie Ford will live on in the minds and hearts of so many people forever as she gave from her heart and soul to all blessed to be in her path.

I am so thankful to God for having given us such an amazing beautiful; in every way, woman.

May God bless you all in the exact way you need Him to. Always know that you each will be in my prayers and my heart forever.

Gladys Marie Ford your Spirit Is Set Free to see everyone who loves you so much from above. My two beautiful Aunt's will be walking together which is comforting. Know that I will always love you from the bottom of my heart and soul.

Please let all know they are not forgotten and let them know I love and miss them so much.

Until we meet again

Gladys Marie Ford,

Love Judi
