“ Love and prayers to the family. It was a shock to get the news - my heart aches for everyone. We were cousins from Norton. She was a sweet heart to everyone. Her parents would have been very proud as they were so easy to know like Glenda. Wish the family the best at this difficult time. Willa Plummer, Topeka, Ks.

“ Such a wonderful friend. I will always cherish our childhood memories as well as being my matron of honor. She was always so thoughtful and I have kept kept her letters and cards over the years. She thought so much ch of her family and friends. I know you will miss her being here but hope it comforts Eldon and family that they will join her again someday. Prayers for peace and comfort. “ Glenda and I grew up in Norton, KS, together, and one of my favorite memories was that she and I accepted Christ as our Savior and were baptized together on Easter Sunday at the Norton Christian Church by Rev. Rex Harman when we were 7 years old. She and I were so nervous standing in front of everyone and got the giggles! I'm sure there were some in church that day who questioned our sincerity with our decision! Glenda was one of a kind, and she's been such an encourager to so many with her faith...even through the grouling treatments she's endured over these past years! Blessings and condolences to all who loved her and will miss her!
