October 24, 1949 - December 4, 2017

Terrance "Terry" Bryan (Toski) Culver, 68, of McPherson, Kansas, passed away at 2:50 p.m., Monday, December 4th, 2017 at Hospice House, Hutchinson, Reno County after fighting a long battle with many serious health related obstacles. Most recently, a cervical spine surgery at KU Medical Center left him as a paraplegic. He fought hard with a very positive attitude determined that someday he would be able to walk again and to be able to go home. Fortunately, he did indeed go to his eternal forever home in Heaven.

Terry was born in Tulsa, Oklahoma on October 24, 1949, a son of Loretta M (Nelson) and Valgene "Gene" Charles Culver.

Terry attended Roosevelt Elementary School, McPherson Junior High and graduated from McPherson High School in 1967. He attended Bethany College, Lindsborg, Kansas, Kansas State University, and Kansas University, Lawrence, Kansas. KU was ultimately his true love.

Terry was a member of the Boy Scout Troop 133, eventually becoming Eagle Scout in 1964 after earning 20 merit badges. He also belonged the Shriners, the Sons of The American Legion Post 24 and Trinity Lutheran Church.

Through the years, Terry worked for his parents at Culver's Fish Farm, Sporting Goods and Liquor Store. In 1977, Terry went into business for himself by opening what is today Culver's Wines and Spirits, being the third generation in the Liquor business in McPherson County.

Terry enjoyed his business, golfing, watching KU basketball, listening to the Rolling Stones, being with his friends, especially his daughter, son, granddaughter and his family.

Terry was united in marriage to Vickie May Anderson on August 28, 1981 at Wichita, Kansas. The young couple established their first home in McPherson, Kansas.

Terry is survived by his wife of 36 years Vickie Culver, of McPherson, Kansas, his children, Tessa Culver, of McPherson, Kansas, Evan Culver and his wife Roxana, of San Francisco, California; his sister Cindy Culver-Burke, of Phoenix, Arizona and his brother Brent Culver, of McPherson, Kansas, his granddaughter, McKenzie Culver; other relatives and a host of friends.

Terry was preceded in death by his parents

A time of remembrance and opportunity to visit with the family will be held from 6 p.m. to 8 p.m. on Friday, December 15, 2017 in the Rose Morris Room, at the McPherson Opera House , McPherson, Kansas.

In lieu of flowers, memorial contributions may be made to McPherson County Humane Society and they can be sent to Glidden-Ediger Funeral Home; 222 West Euclid St.; McPherson, Ks. 67460.

“ To the whole Culver family ...

I had just talked to Brent on Saturday, and planned to go see Terry on Mon. or Wed. when I got the news. It broke my heart. I didn't grow up with Terry like some of you, but we have known each other at least 38 years or so, and had lots of fun together, and even some serious talks ... if you can believe that! I remember when I worked for him. One time at the end of the night, I kept coming up 400 and some dollars short on cash! I was freakin out!!! I had counted and recounted, and checked everywhere! I was havin heart failure, or at least a huge anxiety attack! Then I remembered something one of the girls who had been there quite awhile told me, so I called Terry ... sure enough, when he came in and rang up the club sale, he didn't put the check in the register. It was still in his pocket!!! Guess how much? You got it, the exact amount I was missing! Anyhow, I pray that God will wrap His arms around you and give you a kind of peace that you have never felt before. You are in my thoughts and prayers.

I love you all so much.

“ Terry was one of my best friends(43 years) , even though we had not talked for quite a few years we remained friends. I will miss his humor and friendship. God speed Flyman.

“ This news leaves a great hole in my heart. Terry and I were friends for 47 years, and although I had not seen him since 2000, we talked on the phone several times a year. The most gratifying thing about those conversations was that they always flowed as though we had just talked yesterday, no matter how long it had been. I will miss his intelligence, his offbeat humor, the way he kept me connected to McPherson and its denizens long after I'd moved to Alaska. I will miss you, old friend....Buzz

“ This really hit home for me. Although I haven't seen him in years I have many fond memories of he and his family. I worked for him for a few of the years that I knew him & that was where I truly got to know Terry. Smart, funny, ornery, stern if he needed to be, always caring. Some of the best years of my life. You and Toro can once again debate which tequila is better Cuervo Gold or Patron lol. You will be missed by many. Prayers for Vicki, kids & family. Peace friend. Always...Lisa Segura <3

“ I am just learning of Terry's passing and am saddened though I did try to visit him last August prior to the Class of '67 50 year reunion. I stopped by the store and heard of his medical status and that he was in treatment. I had stopped by his house 5 years earlier (before the 45 year reunion) to encourage him to come by the Sat. night gathering, he declined. He used to provide most of our "liquid" refreshments at reunions. I knew Terry from our elementary school years and through our McPherson schooling graduating in '67. With our last names so close, we often stood in line together at school events. We both ended up at KU and I remember hanging with him listening a new album he had when I returned from Vietnam. Everyone I knew had a good relationship with Terry. I wish his family the best and good health and healing for us all. CJ "John" Conard February 19,
